

# Annual OKI-RCC Tour

**Wed., Oct. 17, 2012**  
**8:30 a.m. - 3:00 p.m.**  
**Campbell County, Ky.**

We will meet at Café on the Green at 8:30 a.m., leaving at 9:00 a.m. to carpool to our three destinations to learn more about special programs, places, and people in Campbell County. We'll visit the Thomas More College Biology Field Station, St. Anne Wetland, and return to Café on the Green Restaurant for lunch. Lunch is on your own. This family-style restaurant has many moderately-priced selections available. Major credit cards accepted. After lunch, we'll travel to Shady Meadows Farm and the tour will adjourn at 3:00 p.m.

## No Registration Fee

**RSVP by Wed., Oct. 10 to:**

Campbellcd@fuse.net or call 859-635-9587

### 8:30 - 9:00 a.m.

Meet and greet at Café on the Green Restaurant at the Flagg Spring Golf Course, 3670 Smith Road, California, KY 41007.

### Directions:

From I-275, take the KY -9 / AA HIGHWAY exit - EXIT 77 - toward WILDER. Follow AA HWY / KY-9 S for 16 miles. Turn LEFT onto SMITH RD / KY-735.

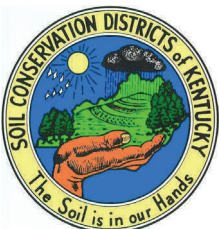

**Programs:** Thomas More College Biology Field Station on the Ohio River. Established in 1998, the Center offers students, faculty and staff an opportunity to enhance their knowledge of the natural world through field courses, research projects and outreach programs that focus on the ecology of the Ohio River. Host, Dr. Chris Lorentz.

**Places:** St. Anne Wetlands at St. Anne Convent. About a century ago, University of Cincinnati ecologist Dr. E. Lucy Braun discovered the seasonal wet woodland that is now used by college and university researchers to study the wetland flora and fauna that are rare to this region. Hosts, Sr. Mary Jo Hummeldorf and Dr. Stan Hedeem.

**People:** Shady Meadows Farm. Visit one of Campbell County's finest farms, owned & operated by Conservation District board member Gene Dobbs and his wife, Marcy. Learn about stream bank stabilization, grassed waterways, buffers, manure management, animal trails and walkways, and rotational grazing on this award-winning farm.
